You know your subject...

But does your expertise translate into trainee learning?

A *Great Trainer* is someone who turns their subject matter expertise into effective learning. When you understand the science behind adult learning and develop an interactive skill-set, even dry subject matter becomes engaging. Become a skilled, confident and successful trainer who knows how to get their trainees interested and keep them engaged. We take you from good to *great!*

### Why PrepMasters USA?

### Trainee Testimonials

"Made me aware of new training techniques. Would recommend this course to anyone interested in adult teaching!"

**Barry S., Corporate Trainer Automotive Industry**

"The methods taught were entirely consistent with and added to adult learning concepts I studied in my master's program. Great stuff, really enjoyed it, eager to put it to use."

**Jay R., University Instructor**

"Great (online) class! The text book is very informative and useful for future reference. A good tool to go back over and over again to become a better instructor."

**Alessandro L., Corporate Training Health Care**

### Preparing Master Trainers

Instructional expertise is key to trainer success! We specialize in developing you and your team to be the very best in their field of training. Others have tried to imitate our process and fallen short of the outstanding results and trainee success we have experienced for over a decade. Why? Because we care about you becoming an Expert Trainer and conveying information in a highly effective manner, unlike any other. Our trainees come from all fields of training and all corners of the earth to learn this world-class skill-set.
